## CT400 installation template guide Prowash iWash Coin Door

### Instructions

1. Place template on front of coin door, ensuring the bottom left hand corner is aligned.
2. Adhere, or hold steady with your hand
3. Mark all drill hole mid points (x3) on coin door, using template as a guide (may need to punch hole prior to making markings)
4. Remove template, drill holes
5. Follow further instructions in CT400 install manual

ALIGN WITH BOTTOM  
LEFT HAND CORNER
